

A new vibrator is a bit like a new partner...

... it's worth getting to know each other first.

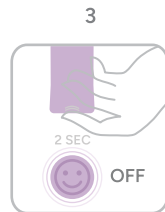

First Things First

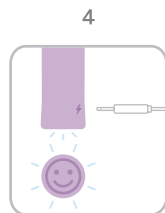

To turn it on, click on the button

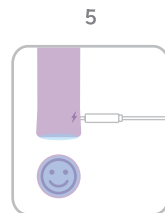

Click again to navigate between the 4 speeds and 2 pulsation modes

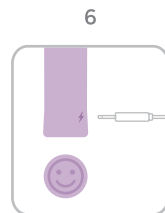

To turn off, press and hold the button. To turn on/off the travel lock, press again for 4s

Light blinking = Low battery

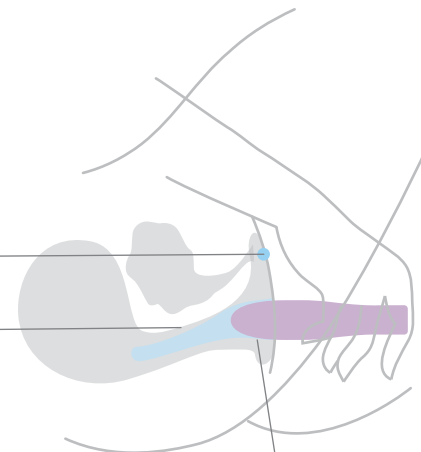

Charging

Fully charged

Treasure Spots

- Clitoral glans**
 - Visible part of the clitoris
 - Highly sensitive
- Vaginal wall**
 - In contact with the internal clitoris

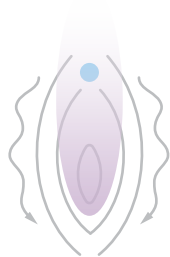

- Lower vagina**
 - Contains 90% of the vagina's nerve endings

DISCOVER YOURSELF

Remember that your vibrator is a device, but your body isn't! What brings pleasure varies between vulva owners, and from one day to the next. Keep on exploring yourself, be curious about your sensations and renew the experience every time. Just like you would for good partner sex!

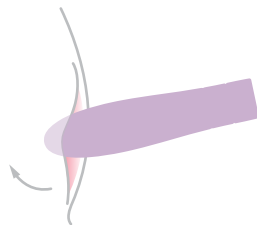

Pleasure Tips

Slide the sleek vibrator in between your inner labia to stimulate the clitoris and tease the vaginal opening.

Internal stimulation doesn't have to go deep, try shallowing just inside your vaginal opening with slow and gentle penetration.

When you feel ready, gently insert The Billionaire inside the vagina using the rounded head to massage the entrance.

Upgrade partner sex with The Billionaire. You can demonstrate the rhythm you like for penetration or use it during oral sex.

Vibrator Hygiene

Your Billionaire may like to splash the cash, but it can also take a splash. To keep it clean and happy, wash it with water and soap, then pat it dry. We recommend doing this before and after use.
